Summer Term Nursery Pupil Learning Reviews

Dear Parents and Carers,

Summer term Pupil Learning Reviews for Little Ridges will soon be taking place during the week commencing **Monday, 1st July** with your child's lead learner. During the review, you will be given an end of year summary of where your child is working, and your child's lead learner will be able to discuss this with you in detail and explain what the next steps are for your child. The booking system is now live on Arbor and will remain open until **6.00pm on Thursday, 27th June**. Please note that appointments will be available on a first come, first served basis so book early if you have limited availability.

If you are a new parent/carer or logging in for the first time, please follow the 'first time logging in' option and follow the prompts to set up your account. The Arbor app is also available to download for iOS & Android users. If you need to reset your password at any time, simply click the 'forgotten your password' option and enter the email address you have registered with the school; this will send a reminder/reset directly to you. If you encounter any problems logging in, then please contact the main office.

Once logged in, you will be able to see the options for dates where you can select the evening that you require and choose from the time slots available to book as follows, simply click on the time you would like to book, and this should give you a green tick.
