Pupil Learning Reviews – October 2024

Dear Parents and Carers,

Pupil Learning Reviews will soon be taking place and will be a ten-minute slot with your child's Class Teacher/Lead Learner. The aim of the Learning Review is to have a discussion about your child's progress since the start of term, and how we can support them in their learning to enable them to reach their full potential. This is an ideal time to share ideas about how you can support your child at home. During the review, you will have the opportunity to look at your child's learning, either in their books or via the electronic Tapestry system online.

We very much believe that your child should be at the centre of the review, and please do feel free to bring your child along to the meeting as there can be great value to your child hearing the positive feedback about their learning and how parents/carers and staff are working together to support them. However, we recognise that the children are still young, and there may be some discussions which you want to talk to your child's Class Teacher about privately.

To access the booking system for the pupil learning reviews, please click [here](#) and log in to your 'Arbor' parent portal. Bookings will be open from **6.00pm this evening**. Please do not attempt to book before this time as the booking system will not be open.

When booking on Arbor, simply click on the time you would like to book, and this should give you a green tick. Where you have more than one child in the school you should only need to log in once and siblings will be linked to your account. As previously mentioned, the system will be live from **6.00pm this evening** and will remain open until the close of play on **Sunday, 13th October**. Please note that appointments will be available on a first come, first serve basis so book early if you have limited availability.
